UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

EPA Announces the Availability of the Administrative Record for the VCC Albany Site, Albany, Dougherty County, Georgia

The United States Environmental Protection Agency (EPA) announces that the Administrative Record for the VCC Albany Site located in Albany, Dougherty County, Georgia, is available for public review.

The Administrative Record file includes documents that form the basis for selection of the removal action. A removal action is a short-term cleanup intended to stabilize a site that poses an imminent and substantial threat to human health or the environment. Documents in the record may include, but are not limited to, preliminary assessment and inspection report, test results, and the Action Memorandum. All interested persons are encouraged to review the documents.

The documents will be available for public review during normal business hours at the following location:

US EPA
61 Forsyth Street, SW
Atlanta, GA 30303
Attn: Debbie Jourdan

EPA will accept comments regarding the Administrative Record during the public comment period which will begin August 10, 2011, and end September 8, 2011. Comments should be addressed to Jason Booth, Federal On-Scene Coordinator, US EPA Region 4 - ERRL 11th Floor, 61 Forsyth Street, SW, Atlanta, Georgia 30303. At the end of the 30-day comment period, a written response to all pertinent comments will be prepared in a responsiveness summary and placed in the file.

The Site is located in a predominantly industrial/commercial area and is comprised of 8 parcels with two title holders. One party operated the property as a drum recycling business and leased 6 parcels from the other property owner for drum storage.
